## The Slinky

*The paragraph below tells about a special date in November history. Can you find and mark ten errors in the paragraph? You might look for errors of capitalization, punctuation, spelling, or grammar.*

what walks down stairs alone or in pears and makes a slinkity sound. The Slinky has been a favorite toy since it's introduction on November 26 1945. Engineer Richard James was performing an experiment with tension springs when one fall to the ground and begun to "walk." That gave James' an idea! His wife, Betty came up with the perfect name for the new invention, Since then more than a quarter of a billion Slinky toys have been sold.
